P 2753

Ventilation

P 9440

Terrace Massive P 9360 / Terrace Massive Pro P 9369 - P 9530

1 Subfloor | support | ondergrond | Untergrund

Hinweis: Das Twinson-Material erlaubt auch die Verlegung der Terrassendeckprofile ohne eine Entwässerungsschräge/mit 0°-Gefälle. Es kann dadurch aber verstärkt zur Bildung von Wasserpfützen und Flecken kommen.

Note: The Twinson material allows installation of terrace planks without bevel drainage/with 0° incline. However this may lead to an increasing development of water puddles or stains.

2 Substructure | soubassement | onderstructuur | Unterkonstruktion

Vereinfachter Rahmen

• P 9326

Die Gummipads sind dauerhaft gegen Verrutschen zu sichern.

• Concrete

Die UK-Stöße sind gegen Verschieben zu sichern, z. B. mit Flachverbindern Edelstahl 15 x 50 mm

• Concrete tiles

2 40 x 40 x 5 cm – 100 x 25 x 5 cm

1 Start-/Endprofil P 9366 mit Alu-Trägerprofil verschrauben/verkleben

• Erste Diele

• Letzte Diele

• Alternativ verkleben

3 Allgemeine Vorschriften

4 Visual aspect | aspect visuel | visueel aspect | visueller Aspekt

5 Fixation / blocking | fixation / blocage | Fixierung / Blockierung

Step 2: blocking

➡ direction of expansion ■ screw
